"FOR GOD SO LOVED THE WORLD THAT HE GAVE HIS ONLY SON,  
THAT WHOEVER BELIEVED IN HIM SHOULD NOT PERISH BUT  
HAVE EVERLASTING LIFE." —JOHN 3:16

## 30 second story

A lion woke up one morning feeling really rowdy and mean. He went out and cornered a small monkey and roared, "Who is mightiest of all jungle animals?"

The trembling monkey says, "You are, mighty lion!"

"Later, the lion confronts a wildebeest and fiercely bellows, "Who is the mightiest of all jungle animals?"

The terrified wildabeest stammers, "Oh great lion, you are by far the mightiest animal in the jungle!"

On a roll now, the lion swaggers up to an elephant and roars, "Who is mightiest of all jungle animals?"

Fast as lightning, the elephant snatches up the lion with his trunk, slams him against a tree half a dozen times. The lion feeling like it'd been run over by a safari wagon. The elephant then stomped on the lion till it looked like a corn tortilla and ambled away.

The lion let out a moan of pain, lifted his head weakly and hollered after the elephant, "Just because you don't know the answer, you don't have to get so mad."

4. Jungles are home to a wide range of plants and animals.
5. Over half of the world's species live in a jungle environment.
6. Jungles are usually in warm places with high rainfall.
7. The word 'jungle' comes from a Sanskrit word meaning 'uncultivated land'.
8. The saying "The Law of the Jungle" comes from Rudyard Kipling's collection of stories called The Jungle Book, published in 1894.
