

BIBLE FOR DUMMIES

"EVEN FOOLS ARE THOUGHT WISE WHEN THEY KEEP SILENT;
WITH THEIR MOUTHS SHUT, THEY SEEM INTELLIGENT."

PROVERBS 17:28

30 second story

A doctor tells a group of patients, "The material we put in our stomachs is terrible. Red meat is awful. Soft drinks corrode the stomach lining. Chinese food is loaded with MSG. High-fats diets can be disastrous, and none of us realizes the long term harm caused by the germs in our drinking water. But there is one thing that is most dangerous of all. Can anyone here tell me what food it is that causes the most grief and suffering for years after eating it?" An elderly man raises his hand and says, "Wedding Cake."

Fast Food Facts!

1. Today, Coca-Cola and PepsiCo products are sold in every country in the world, except North Korea.
2. When McDonald's opened an outlet in Kuwait shortly after the end of the Gulf War, the line of cars waiting to eat there was seven miles long.
3. Two fast food chains claim to have opened the first drive-ins: Pig Stand, which opened in 1921 in Texas, and A&W Root Beer, which launched in California in 1919.
4. The combination of french fries and hamburgers is a continuation of the "meat and potatoes" mentality that has been the core of American food since the eighteenth century.
5. French fries are the single most popular fast food in America. In 1970, french fries surpassed regular potato sales in the United States. In 2004, Americans ate 7.5 billion pounds of frozen french fries.
6. In-N-Out Burger is one of the few fast food restaurants that actually slice each potato by hand shortly before it is placed in the deep fryer.
7. McDonald's annual orders for french fries constitute 7.5% of America's entire potato crop.
8. Every day, 23 million chickens are killed in the U.S. for food--that's 269 deaths per second!
