BIBLE FOR DUMMIES

"THIS IS THE DAY WHICH THE LORD HAS MADE; LET US REJOICE
AND BE GLAD IN IT."

-PSALMS 118:24

30 second story

Batman and Robin are camping in the desert, set up their tent and are asleep. Some hours later, Batman wakes his faithful friend. "Robin, look up at the sky and tell me what you see." Robin replies, "I see millions of stars." "What does that tell you?" asks Batman. Robin ponders for a minute.

"Astronomically speaking, it tells me that there are millions of galaxies and potentially billions of planets. Astrologically, it tells me that Saturn is in Leo. Chronologically, it appears to be approximately a quarter past three. Theologically, it's evident the Lord is all-powerful and we are small and insignificant. Meteorologically, it seems we will have a beautiful day tomorrow. What does it tell you, Batman?" Batman is silent for a moment, then speaks: "Robin, you idiot, someone has stolen our tent."

To announce who the new Batman was they should have released an image of the actor in costume then have people work out who he is from the face to see if Batman's disguise is good enough.
